## College Planning Newsletter

### Fall 2016 Testing Dates

SAT— October 1st  
November 5th  
December 3rd  
ACT— October 22nd  
PSAT— October 19th

### Where to Begin?

Congratulations and welcome to the exciting journey of college preparation! For starters, if you haven't done so already, please register to have your child take the SAT or ACT. Oak Hill Academy is an official Testing Center, and dates of testing at Oak Hill are listed above. We also offer the TOEFL for international students. All Juniors and Seniors are required to take the SAT or ACT.

OHA's College Counseling Department staff is available to assist seniors and their parents throughout the college admission process. This includes research, completing applications, writing essays and gathering necessary supplemental materi-

als. This is an important developmental time for older adolescents, and as such, our students are taught to take the initiative for the process, with support from parents and counseling staff.

We encourage students to take advantage of our College Lab, which is an optimal environment in which to complete college prep items as well as perform any needed research. The College Lab, located in Room 204, is open immediately after school and is staffed by our counseling staff. Seniors, we look forward to working with you!
